### **Montana Students Selected for United States Senate Youth Program** **-- Students Headed to Washington, D. C. and to Receive \$5,000 Scholarship--**

Senators Max Baucus and Jon Tester today announced the names of the two students who have been selected as delegates to the 50<sup>th</sup> Anniversary United States Senate Youth Program (USSYP) that will be held March 3 – 10, 2012 in Washington, D.C. Leo Bird of East Glacier Park and Carter Wilkinson of Bozeman were chosen from across the state to be part of the group of 104 student delegates who will attend the program's 50<sup>th</sup> Anniversary Washington Week.

The USSYP was created by Senate Resolution 324 in 1962 and has been sponsored by the Senate and fully funded by The Hearst Foundations since inception. Originally proposed by Senators Kuchel, Mansfield, Dirksen and Humphrey, the impetus for the program as stated in Senate testimony was "to increase young Americans' understanding of the interrelationships of the three branches of government, the caliber and responsibilities of federally elected and appointed officials, and the vital importance of democratic decision making not only for America but for people around the world."

Each year this extremely competitive merit-based program brings 104 of the most outstanding high school students — two from each state, the District of Columbia and the Department of Defense Education Activity — to Washington, D.C. for an intensive week-long study of the federal government and the people who lead it. The overall mission of the program is to help instill within each class of USSYP student delegates more profound knowledge of the American political process and a lifelong commitment to public service. In addition to the program week, The Hearst Foundations provide each of the 104 student delegates with a \$5,000 undergraduate college scholarship with encouragement to continue coursework in government, history and public affairs. Transportation and all expenses for Washington Week are also provided by The Hearst Foundations, as stipulated in S.Res.324; no government funds are utilized.

Leo Bird attends Loyola Sacred-Heart High School where he serves as vice president of the junior class. Leo is active in soccer, speech and debate, basketball, key club, HOBY alumni, student council, choir and the Blackfeet Youth Planning and Development. Leo's future plans are to attend college and study law or medicine and to become either a judge or a surgeon.

Carter Wilkinson attends Bozeman High School and serves as secretary and treasurer of the senior class. Carter is a member of the track team, Bozeman Icedogs Hockey, varsity Extemp Speech and was a representative to the YMCA Youth Legislature as well as vice president of the Rotary Interact Club. In addition, he worked on President Obama's campaign. Carter plans to major in political science and pursue a graduate degree in domestic policy and economics. He then plans a career either as a community organizer in an urban community, working with an international diplomacy organization, or working in constitutional law. Carter hopes to return to Montana and run for political office.

While in Washington the student delegates will attend meetings and briefings with Senators and Congressional staff, the President, a Justice of the Supreme Court, leaders of cabinet agencies, an Ambassador to the United States and top members of the national media.
